"It was a real pleasure working with Mitch on different irrigation projects. He was always very well prepared and knowledgeable about his region and customers' needs. He is a talented leader that does great things. I would work with him any day. "

— **Rodolfo Moctezuma Jr.**, worked with Mitch

"Mitch exhibits a wealth of business acumen. He is highly technical and extremely personable. His skills reach deep into both the real and the virtual world. Consistently, his tweets are the ones I find myself reading, and his friends and associates are people who bring value to my sales organization. Mitch is a master technology networker. He also a highly experienced securities trader and profitable network marketer. Most of all, he's an incredible global citizen, friend, and mentor."

— **James Lesure**, *Account Executive, Matrix Networks*, was with another company when working with Mitch at Rain Bird Corporation

"Mitch is a technically savvy individual who is a pleasure to work beside. He's grown to become a leader among his peers and a role model to others within our organization. He is personable and easy going while being one of the hardest workers I know. He is a valuable asset to any company."

— **Christen Brooker Funk**, *Specification Manager, Rain Bird Corporation*, worked indirectly for Mitch at Rain Bird Corporation

"I have had the pleasure of working with Mitch for a number of years at Rain Bird and found him to be one of those rare managers who naturally serves as an inspiring mentor to co-workers while going beyond that for his clients. Mitch exhibits strong interpersonal skills and a unique capacity for identifying opportunities to grow the business. Mitch is the go-to person for strategies and problem solving; though he's never one to draw attention to himself, Mitch carries a positive attitude and the respect others feel toward him is substantial."

— **Nathan Arendt, MBA**, *Regional Distribution Manager, Rain Bird Corporation, Azusa, CA*, worked directly with Mitch at Rain Bird Corporation

"Mitch is a highly motivated and creative individual that seeks the best solutions for his customers. He is also a really nice guy that you enjoy working with."

— **Robert Bishop**, *Senior Applications Engineer, Rain Bird Corp.*, worked with Mitch at Rain Bird

## Corporation

"Mitch is one of those colleagues you want to have. He's extremely self-motivated, passionate about quality work, and devoted to making an impact on whatever he's doing. Whether it comes to the grind or the glamour of the work Mitch jumps in, takes full ownership, and makes it happen. He thrives in team and solo environments - something unique to the role & industry as a whole. But that's just Mitch - he is truly unique. He's never short on good ideas and assumes positive intent in all aspects of life. I think that his mindset paired with his general commitment to life is part of his secret sauce. I think the only problem is that there's only one of him."

— **Steve Medina**, *Research & Development: Master Chief, Rocket Science Consulting*, worked directly with Mitch at Rocket Science Consulting

"Mitch is a great human. That's rare in a sales person, or more rare than it should be. He's interested in real relationships, with real people, that are mutually beneficial. He's got tons of drive & energy, and cares about what he's bringing to the table, not just what those on the other side of the table can bring to him. I highly recommend Mitch for any business development or sales role. -Matt"

— **Matt McGraw**, *Founder & CEO, Rocket Science Consulting*, managed Mitch indirectly at Rocket Science Consulting

"I had the pleasure of working with Mitch when we were opening new markets in Portland and I have to say I have never learned so much from another colleague. Mitch's approach to sales and business development goes far beyond strategies, he has philosophies that insure the relationships he creates are unique and memorable. In the time that I worked with Mitch he was able to target unique companies and businesses that fit well with our company culture and insured the Rocket Science name was well known throughout Portland. Mitch is definitely someone I would turn to in a heart beat to break into markets though, as he has uncanny knack for taking an approach that isn't typical of a sales person. I would love to have the opportunity to work with him again."

— **Patrick Stern**, *Flight/ Account Leader, Rocket Science Consulting*, worked directly with Mitch at Rocket Science Consulting

"It has been a pleasure to get to know Mitch, he is one of those people you immediately know "gets it", his willingness to share information and give his candid feedback is refreshing. I'm confident his clients feel the energy and knowledge he brings to the table and are appreciative of his support. I am looking forward to finding a way I can engage Mitch and Rocket Science!"

— **Jodi Delahunt Hubbell**, *President, Chief Executive Officer and Board of Directors, The Commerce Bank of Oregon*, was with another company when working with Mitch at Rocket Science Consulting

"Owning PDX for Rocket Science, Mitch knows how to drive a market like nobody's business. He's a consummate professional, and a terrific personality -and can work the phones and social networking like a guru."

— **Joe Russell**, *Flight Leader, Rocket Science Consulting*, worked with Mitch at Rocket Science Consulting

"Mitch is a fantastic sales and business development specialist. With great ideas and the skills to put together a team to deliver on the promises. +1 for sure."

— **Anthony Hall**, *Creative Director, Rocket Science Consulting*, managed Mitch indirectly at Rocket Science Consulting

"I am continually inspired by Mitch's ability to jump into things and get his hands dirty. He seems to fear nothing. Which sounds like it could be intimidating, but he is also incredibly friendly and open to helping out. Mitch takes the time from his own work to lend a hand when needed. His input and expertise have been very helpful in my own journey here at Rocket."

— **Mireille Pilloud**, *Research and Development: Mission Specialist, Rocket Science Consulting*, worked directly with Mitch at Rocket Science Consulting

"I had the great pleasure of working with Mitch in developing the Portland market for Rocket Science. Mitch is a pro and makes the sales process a comfortable one for clients and consultants alike."

— **Aaron Gette**, *Flight Director, Rocket Science Consulting*, managed Mitch indirectly at Rocket Science Consulting

"Mitch is one of those sales executives that just gets it. He is incredibly personable and professional in his approach with clients. He adds tremendous value to his clients while treating them as partners, not customers."

— **Matthew Levine**, *Client Partner, FILTER LLC*, was with another company when working with Mitch at Rocket Science Consulting

"Mitch is a warm & engaging business development specialist focused on holistic success. He brings a forthright nature & true caring about his clients needs first and foremost. Mitch approaches every situation with a great wealth of research, best practices for the situation, & great value for the client. Mitch doesn't make it feel like he is selling clients something, he makes it feel like he's helping clients find what they were already looking for."

— **Chris O'Rourke**, *Mission Engineer, Rocket Science Consulting*, worked with Mitch at Rocket Science Consulting

"Working with Mitch was a great experience for the entire Rocket Science Team. Mitch brought a contagious energy and drive to the sales team, and therefore to us all. I would highly recommend Mitch... he will be missed."

— **Tisha Blackburn**, *Mission Operations Manager, Rocket Science Consulting*, worked with Mitch at Rocket Science Consulting

"Mitch is not only a great sales person, he's just an all around good guy. From the moment he joined our

team, he was a part of the family. Mitch is one of those sales people that isn't afraid to talk to anybody. He's excellent on the phone and he's excellent in person. He is clever and funny. Mitch would be a great asset on any sales or business development team!"

— **Simms Brooks Cate**, *Partnerships Mission Specialist: Research and Development, Rocket Science Consulting*, worked directly with Mitch at Rocket Science Consulting
